At Vital Fitness we want all of our members to feel comfortable and welcomed while working out. We ask that members wear loose fitting shirts with sleeves and shorts that come at least 2 inches below the gluteus fold.

### Club Policies

Our Patients and clients deserve an atmosphere that is conducive to health and well-being. We ask that you return all equipment to their proper location and wipe down equipment after you have used it. Vital Fitness reserves the right to take action, as it deems appropriate in handling disrespectful or disturbing behavior. To accommodate our patients, they will be given first priority on club equipment.
